When your boyfriend says he has a self care Saturday planned for you both and it ends with asking to spend the rest of your life with him. How dare he uses my own language to convince me to relax & then surprises me 😍 #selfcareselfie #engaged #thankful

Fylde Council @fyldecouncil · Nov 10
Next week is National Self Care Week!

Visit fitterfyldecoast.nhs.uk to find out more and see the calendar of events happening across Fylde.

You can also get involved by taking a #selfcareselfie and sharing it to give others some inspiration!
